I'm back in town again!!!! My junkets are few and far between. It's rather difficult arranging a trip because John is more comfortable with someone going with me.

I just finished taking 2 roles of pictures- close to 80. I'm sending them immediately. There are some good shots of the mountain of God. WE FOUND THE NAME JOHN PAUL A SECOND TIME!! We took pictures of it. What's so weird is that there are few names on the mountain. Very few!!!! And what few there are, are in Swahili!!! Figure that one out!!!!

John went to Dar es Salaam on business. I'm doing a service tonight and doing the main service this weekend. I'm also giving messages every Wednesday night. Man!!! I have NEVER written so much!!!!!! I'm using almost every free moment to put sermons together!!!! In the states it took me 2 weeks to put together a sermon. I've written 20 in around 28 days!!!!!! WOW!!!!!!!!!!!! John told me to be ready to speak and I am.

I'm still making plans to go to Dar es Salaam myself in the near future. Also, it looks like I'll be doing the seminar for pastors in late April. And John and I are still going down by Mt. Kilimanjaro. That would be a great experience!!!!

We had a slight problem with my visa. The embassy gave me a tourist visa when I really should have had a 6 month work visa. This requires a letter from John. He's the sponsor. I was praying about this matter (and of course the financial end of me being here) the other day, when I read in my devotional the verse from Revelation. "Behold I have set before thee an open door which NO man can SHUT"!!! Wow!!!! God's continued confirmation.

I want to THANK all of you from the very depths of my heart for ALL you've done!!!!!!!!!!!!!! I realize fully that it's been a real SACRIFICE for you to keep me here. Again, THANK YOU for ALL you've done!!!!

Take care, Love always, John Paul
